

## Update on COVID-19 Situation

Zurich, 22 March 2020

Valued patients and healthcare professionals,  
Dear business partners,

Your health, and the health of our employees, is of utmost importance to us. We as the Team of Peripal wanted to reach out to you as our supported patients, trusted partners and valued stakeholders to assure our full assistance and uninterrupted service during these times of uncertainty with COVID-19 (Coronavirus).

As a medical device company and your partner we take our responsibility very seriously, and we want you to know that we are here for you in any possible way - anytime.

Our business and supply chain processes are uninterrupted and we have the ability to support our patients and partners throughout these exceptional times.

Please feel free to reach out to us with any request for help or any questions.  
Thank you and stay healthy!
